

Effective Communication

Chapter 1 : Effective Communication

Effective communication sounds like it should be instinctive. but all too often, when we try to communicate with others something goes astray. we say one thing, the other person hears something else, and misunderstandings, frustration, and conflicts ensue. Effective communication doesn't happen overnight, it is a skill that has to be cultivated and nurtured. below are some skills that can be practised to build on or develop your communication skills. Having effective communication skills is imperative for your success. positive communication will certainly increase the opportunities you find in your career and business. having good communication skills will enable you to get ahead in certain areas where others who are less assertive may not. Effective communication submitted by daniel kasztura on february 8, 2013 - 7:18am according to brian tracy, the most wonderful thing is that when you practise to be a good listener, the people are 5. listen with your eyes as well as your ears. stop, look and listen. remember that effective communication is two-way. good leaders know how to ask good questions, and then listen with both their ears. Communication is the process of sharing information, thoughts and feelings between people through speaking, writing or body language. effective communication extends the concept to require that transmitted content is received and understood by someone in the way it was intended. Effective communication is a critical leadership skill, but it takes practice.

Effective communication is communication that is clearly and successfully delivered, received and understood. learning the skills of effective communication can help people to resolve differences while building trust and respect. Being able to appropriately give and receive feedback is an important communication skill. managers and supervisors should continuously look for ways to provide employees with constructive feedback, be it through email, phone calls, or weekly status updates. The communications assistant will explain how the system works if necessary. remember, the purpose of the effective communication rules is to ensure that the person with a communication disability can receive information from, and convey information to, the covered entity. companions
